2. LENGTH OF STAY

- The number of consecutive nights ("Park In" time) that a member may stay in any one park is governed by the membership type and the conditions and restrictions stated in your membership agreement.
- Any visitation of up to three consecutive nights "Park In" time will require only two nights of "Park Out" time.
- The "Park Out" time and "System Out" time are also governed by the conditions noted on the membership agreement.

- Visitation of four consecutive nights or more, up to the maximum, will constitute a “maximum” stay and the “Park Out/System Out” time must be observed before revisiting any HTR Resort.
- There are no restrictions on the number of times any park may be visited annually provided the “in-out” policy is complied with.
- Please check your membership agreement if unsure of any details.

3. RULES AND REGULATIONS

- information on the 'No Dues for Life' program
- how to refer a member online!
- information on reciprocal systems
- members' usage information
- member appreciation dates
- online reservation instructions

9. BRIDAL FALLS WATERPARK

- Please bring your current HTR membership card with you for proof of membership to purchase pass.
- Purchased passes are validated at the WaterPark.

10. WIFI

One of the biggest things to remember is that with many devices connected, even the best system is limited to how much traffic it can handle. All you need to do is look around you to see that there are significantly more devices that are connected. Every time a new device goes on to wifi it puts more of a draw on the system. In today's world of connectivity, we recognize how important it is to have this service available. We are committed to offering the best service possible and have invested into significant upgrades to make that happen.

11. FAMILY PLAN BENEFIT

Children under the age of 28 using their parent's membership, as per Family Plan Benefit, must present at check in:

- 1) Copy of Family Plan Benefit and HTR membership card;
- 2) written authorization from HTR member stating name of user, resort and dates of visit; and
- 3) current ID. The membership card will be held at reservation until check out. Advanced reservations required.

Holiday Trails Cabins
